

# SS-31 (Elamipretide)

SS-31 (Elamipretide) COA summary

| PRODUCT FORMS         | LABELED STRENGTHS | SOURCE RECORDS      |
|-----------------------|-------------------|---------------------|
| Raw material and vial | 10 mg / raw       | 2 reports / 2 files |

## 01 Sample and source results

| LAB / SOURCE                        | LOT / LABELED FILL         | PURITY | CONTENT         | IDENTITY   |
|-------------------------------------|----------------------------|--------|-----------------|------------|
| [1] ILS Laboratories<br>23 Jul 2026 | LREGENSS08<br>10 mg        | 99.39% | 10.64 mg        | HPLC-RTM   |
| [2] Raw-material COA<br>23 Sep 2025 | LREGENSS08<br>Raw material | 99.7%  | Impurities 0.3% | Not stated |

## 02 Source highlights

|                                                |                                                      |
|------------------------------------------------|------------------------------------------------------|
| [1] ILS Laboratories: 99.39% purity; 10.64 mg. | [2] Raw-material COA: 99.7% purity; Impurities 0.3%. |
|------------------------------------------------|------------------------------------------------------|

## 03 Regen | Testing coverage

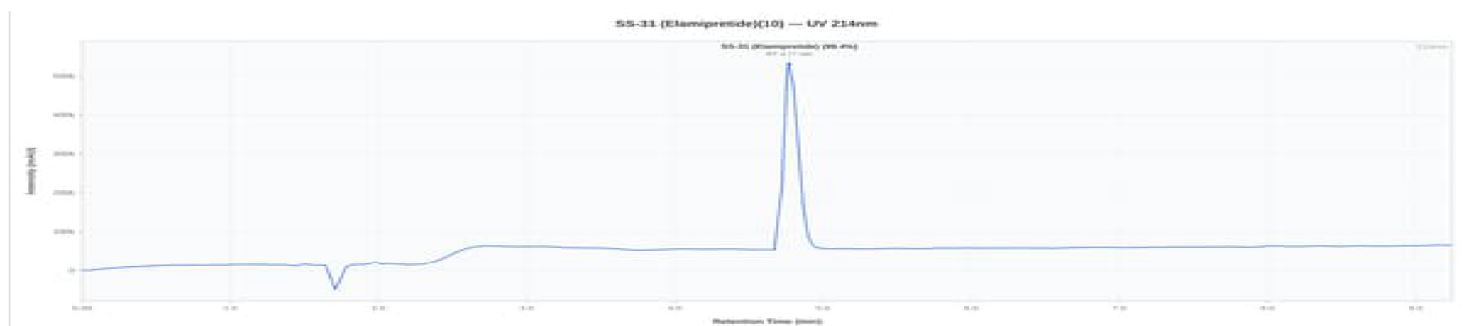

Coverage in the COAs compiled for this report

|                                                                                                            |            |
|------------------------------------------------------------------------------------------------------------|------------|
| <b>Mass &amp; purity analysis</b><br>Purity and content or assay values are reported in the supplied COAs. | DOCUMENTED |
| <b>LC-MS impurity ID &amp; quantity</b><br>Documented in the supplied analytical records.                  | DOCUMENTED |
| <b>MS identity confirmation</b><br>Documented in the supplied analytical records.                          | DOCUMENTED |
| <b>Heavy-metal screening</b><br>Documented in the supplied analytical records.                             | DOCUMENTED |
| <b>Endotoxin testing</b><br>Documented in the supplied analytical records.                                 | DOCUMENTED |
